ABOUT US

The Peniel Place (TPP) stands as a faith-based addiction rehabilitation center located in Ogun, Nigeria. We employ a comprehensive 24/7 biopsychosocial-spiritual treatment model to aid our clients in overcoming addiction, guiding them towards an enhanced quality of life.

Our dedication and preparedness ensure unwavering support throughout your recovery journey.

MISSION

At The Peniel Place, our primary objective is the triumphant recovery of our clients. We accompany them on the path to regaining control over their lives.

VISION

Our commitment at The Peniel Place extends to becoming a widely recognized provider of world-class rehabilitation care.

Treatment Modalities And Duration

The program offers 12 months of comprehensive treatment, consisting of a 5-month residential phase and a 7-month outpatient phase. The detox process, lasting a minimum of 14 days, can extend based on severity.

During the active phase treatment, patients experience an intensive, structured environment for psychological and social interventions, including Relapse Prevention, Life Skills Training, Assertiveness Training, Group Psychotherapy, Progressive Muscle Relaxation Technique, Individual Counseling, Individualized Treatment Planning, Family Therapy, and more.

In the outpatient (after-care) phase, the focus is on societal functioning. During the first 3 months post-discharge, patients attend weekly sessions, followed by bi-weekly sessions for the next 2 months, and monthly sessions for the last 2 months.
